

Club and course etiquette

At Bushey Hall Golf Club, Hertfordshire we have a **few simple rules** to make your visit more pleasurable for both you and your guests. First of all, we do have a dress code which we expect both members and guests to observe. All who visit Bushey Hall Course are expected to be properly dressed, ie golf shoes, trousers, polo shirts and sweaters when playing – and smart casual wear when relaxing in our clubhouse. We expect every golfer to adhere to the stated dress code. We would appreciate it if, as our guest, you could avoid wearing the following on the course or in the clubhouse:

- * Jeans
- * Tee-shirts
- * Tracksuit trousers/bottoms
- * Training shorts
- * Trainers (shoes)
- * Other casual wear

Secondly, all golfers are respectfully requested to observe not only the rules of golf, but also golf etiquette, for example:

- * Avoid slow play by calling players through
- * Repair pitch marks
- * Rake bunkers after use
- * Place bunker rakes in the bunker
- * Do not use mobile phones while on the course

Finally, please be aware that when in the clubhouse, wearing of spikes **is permitted** in the carpeted areas ie the lounge bars and restaurant areas. Although the club's dress code within the clubhouse does not necessitate the wearing of a jacket and tie, smart casual dress is requested. Please note the appropriate shoes **must be worn** either before, in-between or after completing a round of golf.

Thank you for taking the time to read the above and we look forward to welcoming you to our club in Hertfordshire.
